

# Govt mulls 'Bharat Rice' to tame soaring grain prices

TRIBUNE NEWS SERVICE

NEW DELHI, DECEMBER 27

In another move to address the rising prices of essential food items and combat inflation, the Union Government is contemplating the introduction of 'Bharat Rice' at a discounted rate. This initiative follows the successful implementation of discounted rates for 'Bharat Atta' and 'Bharat Dal'.

Though there is no official confirmation made by the Ministry of Consumer Affairs and Food and Public Distribution in this regard, reports from internal sources suggest that the department was working on this project to launch the scheme through various government agencies, including the National Agricultural Cooperative Marketing Federation of India (Nafed), National Cooperative Consumers' Federation of India Ltd (NCCF),

## NON-BASMATI ₹42/KG

As per officials, the move will help lessen the burden on consumers as the prices of the non-basmati rice have crossed ₹42 per kg

In November, the rice traders were directed to ensure domestic prices of non-basmati rice were brought down

Kendriya Bhandar outlets, and mobile vans.

Currently, wheat flour and chana dal are provided to consumers at concessional rates of Rs 27.50 per kilogram and Rs 60 per kilogram, respectively. These products are distributed at over 2,000 retail points. The distribution model for 'Bharat Rice' is expected to replicate the successful approach employed for dal and atta.

As per the officials, the move will help lessen the burden on the consumers as the prices of the non-basmati

rice have reached to above Rs 42 a kg. Even last month after a meeting of Food Secretary Sanjeev Chopra with the top representatives of the rice processing industry to review the domestic price scenario of non-basmati rice, the rice traders were directed to ensure domestic prices of non-basmati rice were brought down.

Ahead of the next year's elections, the government had taken a series of measures to tackle food-inflation, including the ban on non-basmati rice and sugar

exports and the imposition of an export floor price for basmati rice. As per the figures by the Ministry of Consumer Affairs and Food and Public Distribution, nearly Rs 3.91 lakh crore was spent to provide 1,118 lakh MT of free ration under the Pradhan Mantri Garib Kalyan Anna Yojana in the past 28 months.

Besides, 360.82 lakh MT of the fortified rice has been lifted by the states and UTs for the targeted public distribution system and in other welfare schemes of the Government of India, including ICDS and PM POSHAN, in all states and UTs in a phased manner since 2021. The Union Government has announced to provide free foodgrains to about 81.35 crore beneficiaries under the Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY) for a period of five years with effect from January 1, 2024.

# Cabinet approves inking of migration pact with Italy

TRIBUNE NEWS SERVICE

NEW DELHI, DECEMBER 27

The Union Cabinet on Thursday gave its ex-post facto approval to the proposal of the Ministry of External Affairs to sign and ratify the migration and mobility agreement between India and Italy, which would enhance people-to-people contact, foster mobility of students, skilled workers, business people and young professionals and strengthen cooperation on issues related to irregular migration between the two sides.

The agreement locks-in the current Italian visa regime, including mechanisms for post study opportunities, internships, professional trainings assuring an advantage for India under the existing labour mobility pathways under the Flows Decree.

Under the pact, Indian students wishing to gather initial professional experience, after completing academic or vocational training in Italy may be granted temporary residence in Italy for up to 12 months.

## TO ENHANCE PEOPLE-TO-PEOPLE CONTACT

The agreement, once signed and ratified, will enhance people-to-people contact, foster mobility of students, skilled workers, business people and young professionals, and strengthen cooperation on issues related to irregular migration between the two sides.

## NOD TO CONSULATE GENERAL IN AUCKLAND

The Union Cabinet on Thursday also approved the proposal to open a Consulate General of India in Auckland, New Zealand

The Consulate General in Auckland will help increase India's diplomatic footprint in view of its increasing global engagement. The consulate is likely to be opened within 12 months

The Italian side has detailed provisions related to professional training, extracurricular internships and curricular internships which allow Indian students trainees to gain experience in Italian skill training standards.

For workers, the Italian side has reserved a quota of 5,000, 6,000 and 7,000 non-seasonal Indian workers for 2023, 2024 and 2025 under the current Flows Decree (total reserved quota stands at 12,000 for non-seasonal workers). Additionally, the Italian side has reserved a quota of 3,000, 4,000 and 5,000 seasonal Indian workers for 2023, 2024 and 2025 under

current Flows Decree (total reserved quota stands at 8,000 for seasonal workers).

Under the Flows Decree, Italian side has offered incremental reserved quotas for both seasonal and non-seasonal workers from 2023-2025. Additionally, the agreement formalises joint working on furthering mobility pathways between India and Italy through agreements on youth mobility and facilitation of recruitment of Indian qualified professionals in the health care and medical services sectors which will be discussed under the Joint Working Group.

# Murmu: India transforming into healthcare hub

NEW DELHI, DECEMBER 27

President Droupadi Murmu on Wednesday said India is transforming into a healthcare hub. Speaking at the ninth convocation of the Institute of Liver and Biliary Sciences (ILBS), she said it was heartening to note more than 1,000 liver transplants and approximately 300 renal transplants had been performed at the ILBS.

"With the integration of life sciences and modern technology, revolutionary changes are taking place in healthcare. Health problems related to liver are serious in our country and the huge number of diseases caused by them is a cause for worry. The ILBS is expected to make a significant contribution in the prevention of liver diseases," Murmu added.

She said due to non-availability of sufficient numbers of organs, many patients were deprived of transplant. "Unethical practices related to organ donation also come to light from time to time. It is the responsibility of an aware society to solve these problems," she added. — TNS

# Pro-Kannada activists damage signboards

BENGALURU, DECEMBER 27

The Karnataka Rakshana Vedike (Narayana Gowda faction) on Wednesday targeted business establishments in Bengaluru and damaged their signboards and name plates which did not use Kannada.

The activists took out rallies

in various parts of the city, especially in the business hubs such as MG Road, Brigade Road, Lavelle Road, UB City, Chamaraajpet, Chickpet, Kempe Gowda Road, Gandhi Nagar, St Marks Road, Cunningham Road, Residency Road and Sadahalli Gate

near Devanahalli. The activists claimed that the business establishments were "undermining the official language of Karnataka, which is Kannada". Many malls, shops, commercial buildings, companies and factories faced the ire. — PTI
